Application for Leadership Funding from CMAA for
CMA Alliance Conference

The CMA Alliance would like to encourage county leaders to attend CMA Alliance meetings: presidents, presidents-elect, immediate past presidents, membership chairs, legislation chairs, health promotion chairs and other county board members. Members can apply for funds if:

- His or her county does not provide funding for CMAA conference expenses.
- The applicant is a member of a county alliance and serves on the board or is a member at large and is a CMAA member.

The funds would be available to pay for up to 100% of the state conference registration. The individual would pay for his or her hotel. (CMAA pays for transportation expenses)

A member would be allowed leadership funding for two meetings total.
